Add a Trusted Contact Person

- Use this form to add up to two Trusted Contacts for your Schwab accounts. You may also update your Trusted Contact information by visiting Schwab.com or calling 1-800-435-4000.
- Adding a Trusted Contact provides Schwab with a resource to contact on your behalf, if necessary. A Trusted Contact is a person whom you are permitting Schwab to contact and disclose information to about your account to address possible financial exploitation; to confirm your contact information, health status, or the identity of any legal guardian, executor, trustee, or holder of a power of attorney; or as otherwise permitted by applicable rules.

Trusted Contact Designation

- Naming a Trusted Contact is optional.
- The Trusted Contact(s) must be at least 18 years old.
- The Trusted Contact(s) will not be able to view your account information, execute transactions, or inquire about account activity.
- Schwab suggests that your Trusted Contact(s) not be someone who is already authorized to transact business on your account(s) or already able to receive information about your Schwab account(s)—e.g., financial consultant, investment advisor, or by virtue of Power of Attorney or View Only authority.
- You do not need to designate a separate Trusted Contact for each Schwab account. A single designation covers all Schwab accounts over which you are the account holder or joint account holder, trustee, or agent.
- For accounts with multiple account holders, trustees, or agents, please fill out a separate Trusted Contact form for each account holder, trustee, or agent.
- Only you as the account holder have the ability to add, update, or remove a Trusted Contact(s) for your account(s).

Account Holder Information

The Trusted Contact designation(s) only applies to the Account Holder/Trustee/Agent named below. Schwab will use the information you provide to verify your identity, provide services, communicate with you, and provide you with information about our products and services.
