

## **SCHWAB ADVISOR MOBILE CONNECT RELEASE NOTES**

### **VERSION 3.5**

### **RELEASED DATE**

- May 7, 2018

### **ENHANCEMENTS**

- **Fingerprint Recognition** – Log in to the mobile app using your fingerprint on supported devices as an alternative to your existing username and password.
- **Face ID** – Log in to the mobile app using facial recognition on your iPhone X as an alternative to your existing username and password.
- **Monthly Reports** – Biometric authentication is now included in the monthly reports. Issues with the monthly reports have been resolved.
- **Security Improvements**

### **ACTION ITEMS**

- Clients will need to update their Android and iOS apps for these enhancements.
- Please renew your Apple Developer account before it expires and accept Apple's latest Terms of Use so that we can submit your updated app to Apple's App Store.
