Schwab Advisor Services ™:
At a glance
Helping advisors make the most of independence

For over 30 years, Schwab Advisor Services™ has been all in for independent investment advisors. We take the time to work with you, learn your goals, and help you plan strategies for your business. This approach has given us a unique understanding of the Registered Investment Advisor (RIA) model and how to help you achieve the benefits of independence.

Our support, services, and technology are built around investment advisors’ needs. We put you first so that you can focus on your clients. No matter your background, firm size, or business complexity, we provide industry-leading custody services, with no AUM minimums and no custody fees—and no intention to raise them.

Learn more about Schwab’s alternative investment platforms >

Investing in alternative investments is speculative, not suitable for all clients, and generally intended for experienced and sophisticated investors who are willing and able to bear the high economic risks of the investment. Investors should obtain and carefully read the related prospectus or offering memorandum, which will contain the information needed to help evaluate the potential investment and provide important disclosures regarding risks, fees, and expenses.

* Schwab affiliates earn revenue from the underlying assets in Institutional Intelligent Portfolios® accounts. This revenue comes from managing Schwab ETFs™ or Schwab Funds® and providing services relating to certain third-party funds that can be selected for the portfolio and from the cash feature on the accounts. Revenue may also be received from the market centers where ETF trade orders are routed for execution. Tax-loss harvesting is available for clients with invested assets of $50,000 or more in their Institutional Intelligent Portfolios account. Clients must be enrolled to receive this service. Cash balances held in the Sweep Program at Schwab Bank are eligible for FDIC insurance up to allowable limits per depositor, per account ownership category.

† Institutional Intelligent Portfolios® (“IIP”) is a technology and service platform made available by Schwab Performance Technologies (“SPT”) to independent investment advisors (“Advisors”) who maintain a business relationship with Schwab Advisor Services®, a division of Charles Schwab & Co., Inc. (“Schwab”). IIP is used by Advisors to provide their clients with an automated investment management service. Schwab, a registered broker-dealer and member SIPC, provides custody, trading, and support services. SPT and Schwab are separate companies affiliated as subsidiaries of The Charles Schwab Corporation, but their products and services are independent from each other.

See the Charles Schwab Pricing Guide for clients of independent investment advisors for pricing details.

Administrative Trustee Services are provided by Charles Schwab Trust Company of Delaware (“CSTCD”). CSTCD, Charles Schwab Trust Company (“CSTC”), and Charles Schwab & Co., Inc., are separate but affiliated companies and wholly owned subsidiaries of The Charles Schwab Corporation. Schwab Advisor Services® is a business segment of Charles Schwab & Co., Inc. serving independent investment advisors. CSTCD serves as the administrative trustee of trusts whose investments are managed by independent investment advisory firms that do business with Schwab Advisor Services and are selected solely by the trust’s grantor or beneficiaries to provide investment advisory services for the trust. These advisory firms are not owned by, affiliated with or supervised by The Charles Schwab Corporation, CSTCD, CSTC, Charles Schwab & Co., or any of their affiliates or subsidiaries. Schwab Advisor Services and CSTC provide custody, securities brokerage, and related back-office services to the trusts for which CSTCD serves as administrative trustee.

SCHWAB BANK PLEDGED ASSET LINE

Entering into a Pledged Asset Line and pledging securities as collateral involve a high degree of risk. At any time, including in the event that the loan value of collateral is insufficient to satisfy the minimum loan value of collateral or to support the outstanding loans, Schwab Bank may demand immediate payment of all or any portion of the outstanding obligations, or require additional cash or securities to be added to the Pledged Account maintained at Charles Schwab & Co., Inc. If a Demand is not addressed, the pledged securities may be immediately liquidated without further notice to you, which may result in tax consequences.

Schwab Bank, in its sole discretion, will determine at any time the eligible collateral criteria and the loan value of collateral.

Proceeds must be used for a lawful personal, commercial, or business purpose under state, federal, or other applicable law and may not be used to purchase securities, pay down margin loans, or be deposited into any brokerage account.
